

**Remarks**

Claims 1-31 were pending. By this amendment, claims 5-6, 22-24, and 28-30 are cancelled. No claims are added. Therefore, claims 1-4, 7-21, 25-27, and 31 are pending.

By this amendment, the specification was amended to incorporate Applicants' claim of priority, to include appropriate section headings, and to include an abstract. The claims were amended to comply with U.S. practice, for example the removal of multiple dependencies, amendment of use claims, and correction of antecedent basis.

Support for the claim amendments can be found throughout the specification, for example:

Claim 4: original claims 5-6

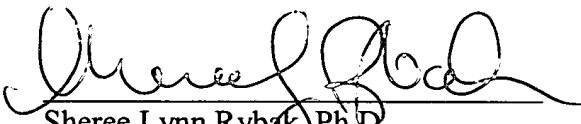

Claim 21: original claims 22-24

Claim 27: original claims 28-30

No new matter is added by this amendment. No amendments made herein were to distinguish prior art. If there are any questions regarding this amendment, the Examiner is invited to telephone the undersigned.

Respectfully submitted,

KLARQUIST SPARKMAN, LLP
